Gender Budgeting Scheme is being implemented as a tool for mainstreaming gender perspective at various stages of planning, budgeting, implementation, impact assessment and revisiting of policy/programme objectives and allocations. The Scheme helps in strengthening of institutional mechanisms and training of various stakeholders so as to mainstream gender concerns in Central and State Governments. For Child Development Integrated Child Development Services (ICDS) Scheme is being implemented through States/UTs with the 6 aim of holistic development of children upto 6 years of age and to meet nutritional needs of pregnant women and lactating mothers.[4]

Integrated Child Protection Scheme (ICPS) (now Child protection Services) is being implemented through the State Government/UT Administrations to create a safe and secure environment for overall development of children in need of care and protection in urban and semi-urban areas. National Nutrition Mission (NNM): The Government of India has approved setting up of National Nutrition Mission (NNM) commencing from 2017-18. The NNM, as an apex body, will monitor, supervise, fix targets and guide the nutrition related interventions across the Ministries. The programme through the targets will strive to reduce the level of stunting, under-nutrition, anaemia and low birth weight babies. Beti Bachao, Beti Padhao Launched with initial funding of Rs.100 crore the scheme aims to address the issue of the declining child sex ratio image (CSR) and is a national initiative run jointly by the Ministry of Women and Child Development, the Ministry of Health and Family Welfare and the Ministry of Human Resource Development. Beti Bachao Beti Padhao (BBBP), a comprehensive programme is being implemented to address the declining Child Sex Ratio (CSR) and related issues of empowerment of women over a life-cycle continuum. Highlights It's focused on multi-sector action in 100 districts across the country with a low CSR. Aims at generating awareness about the importance of girl children and improving the efficiency of welfare services intended for girls in India. Working towards preventing female infanticide. Under the BBBP scheme, even district-level education officials must ensure that the benefit of free elementary education reaches all the girls in their area. Sukanya Samridhi Yojna Part of the 'Beti Bachao, Beti Padhao' campaign, this Government of India backed saving scheme is targeted at the parents of girl children. The programme encourages them to build a fund for future education and marriage expenses for their female child. Parents can start saving early as the minimum amount of investment required is small, and the account is active for 14 years from the date of opening the account. Highlights It has tax benefits and an interest rate of 9.1%. It is
